Lanes reopening for Thanksgiving weekend travel

Non-emergency closures suspended; motorists should still expect work zones

SPRINGFIELD – The Illinois Department of Transportation announced today that lanes that have been closed for construction will reopen, where possible, for the Thanksgiving holiday weekend to minimize travel disruption.

Non-emergency closures will be suspended from 3 p.m. Wednesday, Nov. 24, to 11:59 p.m. Sunday, Nov. 28.

The following lane closures will remain in place during the weekend. Work zone speed limits will remain in effect where posted. Please buckle up, put your phone down and drive sober.

Motorists can expect delays and should allow extra time for trips through these areas. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

District 1

City of Chicago

- Northbound Pulaski Road between 76th and 77th streets; lane reductions continue.
- Cicero Avenue (Illinois 50) between 67th and 71st streets; lane reductions continue.

- Illinois 13 at Carrier Mills Road just west of Harrisburg; lane reductions continue.

Williamson County

- Illinois 148 just north of I-57; lane reductions continue with traffic controlled by temporary signals.

Over the next six years, IDOT is planning to improve more than 3,500 miles of highway and 9 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Two

included approximately \$5.2 billion of improvements statewide on 3,020 miles of highway, 270 bridges and 428 additional safety improvements.
